SitOnIt • Seating®

California born and bred

We're a leading manufacturer of commercial solutions in the U.S. — and #1 in task chairs. From tables and lounge to screens and more, we've been the go-to destination for comprehensive, build-to-order solutions for over 25 years. We combine award-winning design with the fastest lead times around, and our design and planning services can turn product innovation into your space inspiration. We're able to build almost any specification you want, deliver it when you need it, and offer a level of value no one can match. It's all part of our indie California spirit and drive to be the one place you go for all of your spaces.

Why choose us?

TESTED & APPROVED

We put ourselves through the ringer (so you don't have to). Rest assured that our products have been tested for quality control, strength and durability.

ANSI/BIFMA CERTIFIED

SitOnIt Seating is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by BIFMA are approved by the American National Standards Institute (ANSI) to determine the strength and durability of seating. Although testing is not a warranty or guarantee, our products meet or exceed BIFMA and ANSI standards.

HEAVYWEIGHT CHAMPIONS

We use rigorous standards that test for arm and leg strength, overall load and impact. Our Heavy Duty chairs have a 350 lb. weight capacity and bariatric models are rated to 500 lbs. and 1000 lbs. Bariatric models are available in 30" and 42" widths with additional seat foam, steel reinforcement and extra large casters with 25% more weight capacity. SitOnIt Seating club chairs, settees and sofas are rated to 250, 500 and 750 lbs. respectively.

BUILT TO LAST

The unique SitOnIt Seating steel rail system* creates a robust, durable understructure that withstands even the toughest environments. The arms are anchored by a high performance molded joint system that provides long-lasting stability. The modular assembly of rails and components makes field replacement of our components simple, ultimately extending the life of the product.

**Not applicable for the Visit Modular collection.*

SUSTAINABLE DESIGN

We make it easy to go green. Design an eco-friendly room from the ground up or upgrade an existing space to meet the latest environmental standards.

LEED CERTIFIED

Earn points toward LEED certification thanks to our U.S. manufacturing location and our use of recycled materials where possible.

GREENGUARD CERTIFIED

Most SitOnIt Seating products have met the rigorous criteria required by Greenguard Gold in accordance with the Collaborative for High Performance Schools.

LEVEL CERTIFIED

We've worked to achieve BIFMA level® certification for all SitOnIt Seating products.

WE DID OUR HOMEWORK

Download detailed documents that break down the percentage of recycling content, manufacturing process and indoor air emissions for every chair we make.

ENDLESS CUSTOM OPTIONS

Developed by world-renowned designers and engineers, all of our collections are customizable from top to bottom.

FIND YOUR HUE

With thousands of textiles, COM options, frame accents and finishes to choose from, you can mix and match to your heart's content — whether you're enhancing school colors or just in the mood to be creative!

PERFECTION IS POSSIBLE

Our accurate fabric matching ensures that patterns will line up perfectly—even with replacement upholstery parts ordered years later!

SAFETY FIRST

We make it easy for designers and buyers to put safety first. Since fire safety is a top priority for many facilities, we offer CAL 133 models for every collection, COM fabric approval service and a 10-day turnaround all at an extremely competitive price point.

Our promise to you

SitOnIt Seating is warrant to the original purchaser that our products will be free from defects in material and workmanship. The warranty period varies by product/product use and ranges from two years to a full, lifetime warranty. Visit us online to read our complete [SitOnIt Seating](#) warranty policies.
