

GSA Small Business Capabilities Statement

Exemplis® Corporation (“Exemplis”) was founded in 1996 in Orange County, California with the goal of providing outstanding design, comfort and value in office seating. With its unique mass customization manufacturing model, the company builds beautiful, reliable, ergonomic chairs at affordable prices and ships them in as little as 2 days. Its trusted brands include market share leader SitOnIt® Seating, and IDEON® lounge seating and tables.
